

**UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS**

UNITED STATES of AMERICA

v.

WARNER CHILCOTT SALES (U.S.) LLC,

Defendant.

**Criminal No.
15-cr-10327-FDS**

**ORDER REGARDING GOVERNMENT’S MOTION FOR
ALTERNATIVE VICTIM NOTIFICATION**

SAYLOR, J.

The United States has moved this Court, pursuant to 18 U.S.C. § 3771(d)(2), for authorization to employ alternative victim notification procedures, in lieu of those prescribed by § 3771(a), (b), and (c), on the ground that the number of potential victims in this case make it impracticable to accord all of the potential victims the rights described in § 3771(a).

For good cause shown, the Court hereby grants that motion and orders that the following alternative victim notification procedures be employed by the United States in this case:

1. The Government shall issue a press release informing individuals and insurance companies that they may be victims in this matter.
2. Potential victims should be directed to a website maintained by the Justice Department, <http://justice.gov/largecases/>. A listing for the Warner Chilcott matter should appear on this website, which potential victims can access for more information concerning potential restitution.

3. The government shall also provide reasonable notice to the general counsel's office of the following 25 companies, who represent the 25 largest private health insurers in the United States, according to the National Association of Insurance Commissioners:

1. UnitedHealth Group
2. Kaiser Foundation Group
3. Anthem Inc. (Formerly Wellpoint Inc. Group)
